Re: *Doe vs. Grays Harbor County*

Dear Mr. Whedbee:

Pursuant to paragraphs 5(a) and 5(b) of the Settlement Agreement and Release executed on June 26, 2017 in the matter referenced above, please find the revised policies regarding discipline and use of room restriction, confinement and isolation for the Grays Harbor County Juvenile Detention Center. I am also enclosing copies of the documents we are using to confirm that all employees are completing their review and self-training regarding this revised policy. We will certify by December 1, 2017 that all staff members have completed this training.

Very truly yours,

David L. Edwards
